Junior Council Impresses Visitors

Enthusiastic approval of the junior council movement was the general feeling among visitors after last Tuesday's meeting of Altona Junior Council. And if even half of this enthusiasm can be transferred to councillors of other municipalities there could follow the formation of several new junior councils all following the lead given in Victoria by Altona.

The guests came under the auspices of the Local Government Womens Association and included a woman mayor, a number of lady councillors and friends, teachers and students from several schools and a few males interested in the junior council.

As well as from the metropolitan area they came from as far as Wangaratta, Ballarat, Bendigo and Geelong and all considered their experience worth the journey.

Already Croydon and South Melbourne have formed junior councils and another three districts—Wangaratta, Sebastopol and Geelong—have made good progress towards establishing them. Each is taking a slightly different approach to the activity as Altona did after Cr. J. J. Ginifer and the Shire Secretary, Mr. J. W. Waters, investigated the Glenorchy Junior Council in Tasmania.

Some of the visitors admitted they had yet to overcome the ultra conservative attitude of their municipal councils—councils which also disapprove

of women in local government. However, the ladies determination is such that they will make every endeavour to promote junior council activities in their own areas.

The visitors agreed that only by witnessing a junior council meeting is it possible to envisage how it has aroused civic awareness and pride in the children. This was evidenced by the range of business raised by junior councillors at question time.

Several visitors mentioned that this civic awareness appeared to them to be one of the best counters to vandalism.

The 60 guests also were taken on an inspection tour of the library, dental clinic and Elderly Citizens Club. These

amenities plus the Council Chamber, civic hall, offices, etc., came in for much praise.

Indeed, visitors who had known Altona in years gone by considered the progress of the Shire has been remarkable.

MUNICIPAL QUARTERLY UNDER DISCUSSION

The second issue of the "Altona Municipal Quarterly" is to be issued in the middle of next month—August. The first issue was delivered to residents last week.

Cr. H. W. Lee said at last Tuesday night's council meeting that the date of issue of the second quarterly had been brought forward for purely economical reasons.

He said it would replace the rather expensive annual report issued last year to all ratepayers. The report was considered the best way of conveying the year's activities to the people.

Cr. Lee recommended to council that the quarterly reports be issued in accord with the council year—one each in November, February, May and August. The August edition to contain each councillors report on his activities within

his portfolio for the year and a report from each council department such as the Engineer's and Health Departments, etc.

On the motion of Cr. A. J. Fisher, seconded by Cr. G. den Dulk, council agreed to issue the quarterlies during the months recommended by Cr. Lee.

Regarding the first issue Cr. Lee said he knows it will be criticised and in fact would criticise it himself. Several

problems are apparent. Firstly production—the layout and use of space needs improvement. Time to work on it was another important factor.

Problems arose regarding news which had been earmarked for the quarterly—it can become stale and out of date. Cr. Lee said it would be argued "why bother". But he maintains that local newspapers, indeed no newspapers, cover the entire area of the Shire.

He said experience with the first quarterly has shown assistance is needed to co-ordinate matters and he said any councillors who can do this needs more time than he has available. Regarding any criticism of him as editor and that he would use this position to the detriment of certain councillors, Cr. Lee contended the quarterly would be completely neutral on politics and personalities would be disregarded.

Education Week In Altona

AUGUST 13-20

EDUCATION—YOUR OPPORTUNITY

With the assistance of the District Inspector of Schools, Mr. H. T. Message, the Altona Shire Council has formed a committee consisting of Shire council representatives and heads of the 12 Altona schools to co-ordinate Education Week activities in Altona.

Youth organisations, church and cultural groups also are assisting in what will be quite a unique Altona Community Week with "Education—Your Opportunity" as its theme.

Highlights of the week's activities are—

SATURDAY, AUGUST 13: Official opening of the Altona East Library by Cr. S. G. McIntosh, Altona Shire President, assisted by Sir Henry Winneke, Chief Justice of Victoria;

SUNDAY, AUGUST 14: Church services in the morning. At 2 p.m., official opening of the week by Sir Alan Ramsay, former Victorian Director of Education. This will be preceded by a march of about 1000 children from primary and post-primary schools in the Shire, this function will include a spectacular demonstration of folk dancing and physical education by about 800 children;

MONDAY, AUGUST 15 (8 p.m.): At refinery auditorium. Forum on "The New Mathematics". The moderator will be Mr. G. L. Treyvaud, and the panel will consist of Miss A. M. Ridsdale, Mr. G. J.

Whitehead and Mr. W. Bradshaw;

WEDNESDAY, AUGUST 17 (8 p.m.): At Altona Civic Hall. Forum on Education Week theme—"Education—Your Opportunity." Moderator, Mr. J. S. Crocker, Staff Inspector of Schools. Panel, Miss H. Lyon, Mr. R. Belshaw, Mr. E. Angus Jones and Father F. Martin.

THURSDAY, AUGUST 18 (8 p.m.): At St. Joseph's Girls School, Altona, a Music Festival for post primary schools;

FRIDAY, AUGUST 19 (8 p.m.): At St. Joseph's Girls School, Altona, Music Festival for primary schools.

During the week there will be open days and/or special sessions held by schools, kindergartens, youth clubs and in fact all cultural organisations in the Altona Shire. The Apex Club is sponsoring an art competition and exhibition.

The organisation committee believes that this community week will be highly successful and will let people know what is being done and what needs to be done to ensure continued progress in education and in cultural development for citizens representing all age groups.

NAVAL CADET CORPS PLANNED

Plans are progressing for the formation of a Naval Cadet Corps in Altona.

Ex-Navy members, including the Shire President, Cr. S. G. McIntosh, met in the local RSL Hall last Sunday morning to hear outlines of Cadet Corps activities from the Navy League.

Boys aged 14-17 years of age are eligible and the Navy will supply two boats costing in the vicinity of \$5000.

Being an ex-Navy man himself, Cr. McIntosh said he can recommend the Navy as a good clean line and he particularly will support any organisation

which influences youth and encourages them in wholesome activity and so keeps them off the streets.

He pointed out that the RSL started the local CMF branch but of the 40 volunteers only 13 were passed medically fit. He said the Navy medical would not be so stringent.

Shire President Attends Junior Council Meeting

The Shire President, Cr. S. G. McIntosh, attended his first junior council meeting this week.

Cr. McIntosh, who sat in as an observer, said he was pleased and impressed by the civic interest shown by the children.

He said he was proud of the children and their schools and thanked the children and their teachers for their co-operation.

DEPUTATION ON EXPLOSIVES RES.

The Minister for Lands will receive a deputation from Altona Council on August 9 to hear the council's proposal for the development of the Truganina Explosives Reserve.

The Shire President, Cr. S. G. McIntosh, will present the evidence and all councillors will, if possible, join the deputation.

EDITORIAL

THE ALTONA MUNICIPAL QUARTERLY

In his introduction the Shire President, Cr. S. G. McIntosh, notes that the purpose of the "Altona Municipal Quarterly" is to bring to the ratepayers information on progress being made by the council in the many phases of its work.

The Quarterly to some extent fulfills this aim. It would of course take more than four pages to adequately review all the activities of the council.

As Cr. McIntosh says, "No doubt certain subjects have been missed in the publication."

In future issues obviously other aspects will be covered.

Much of the news of the Quarterly has already appeared in various editions of the "Altona Star." Here in one publication they are given emphasis.

Other information of lesser news value but of relative importance to citizens is also included.

Means of communication between council and ratepayers are too limited.

The extent that the average citizen of Altona gains in knowledge of what Altona council means to him and his relationship to it will be the measure and worth of the Quarterly.

The Shire President invites suggestions from ratepayers as to points to be included in future issues.

It is to be hoped that the invitation will be accepted. The present issue has been well prepared—but that is not to say it cannot be improved.

Praise or criticism should be welcome even if only to serve as a measure of public interest in the "Altona Municipal Quarterly."

ALTONA WORKING MEN'S CLUB NEWS

Victorian Indoor Bowls Finals

Finals of the Victorian Indoor Bias Bowls Association, ladies and gents singles championships, will be played at the Altona Working Men's Club this Saturday, July 30, commencing at 8 p.m.

Members are cordially invited to watch this keenly contested and interesting display of indoor bowling.

The club has three members in the final rounds of this championship; Dawn Burgess, Alan Lyon and Jim Walker.

SUCCESSFUL ASSOCIATES ANNUAL MEETING

Despite the bleak and windy winter weather 60 ladies attended the Sixth Annual General Meeting of the Associate Section.

Once again the highlight was the presentation of the annual financial statement and balance sheet which revealed an astounding amount of activity undertaken during the year and the considerable financial income of the Section.

At the conclusion of the report Rene Baldwin, the Associate Section treasurer, presented a cheque for \$1100 to the Management Committee to assist with further developments and improvements, particularly the fittings, furniture and furnishings of the ladies lounge in early anticipation of club registration.

Rene also proudly intimated to all assembled including members of the Management Committee that this now makes a total of \$5000 donated to the Management Committee by the Associate Section since their inception six years ago—a very splendid effort, very much appreciated by the committee and all members of the club. Fitting thanks for this effort and wholehearted support by the ladies will be extended to all Associates at the annual meeting of the club in September.

The new president for the years 1966-67, elected unopposed, is Alice Yates, who is well-known to a large section of Associate members, particularly in the Indoor Bowls Section of the club. All wish her

the best and feel sure she will receive the enthusiastic support that has been rendered in past years to presidents of the active Associate Section.

Thanks were extended to Win Lamb, the retiring president, who performed her duties both as president and program secretary in a very excellent manner for the year.

At the termination of business the Associates indulged in a hearty sing song to music on the accordians by Molly Busch and Hilda Osborne.

A very tastefully prepared supper and cutting of the sixth anniversary birthday cake concluded another very successful evening for the Associates who have visions of a very much different seventh anniversary.

MIXED SPORTS NIGHT

Printed invitations and team entry forms for the inter-club mixed sports night have now been mailed to 14 clubs and factory social club committees requesting them to nominate 26 teams. With 14 teams from the AWMC, a total of 40 teams of four will take part in this event on Saturday, August 13.

Club members wishing to enter teams in this sports night or join in as individual members can obtain information leaflets and team entry forms from the club office.

CHARGED WITH ATTEMPTED ARSON

Following two fires near a bungalow in Altona North, a West Newport resident has been charged with attempted arson and will appear for trial before the Court of General Sessions.

At Williamstown Court last week Joseph Wilkinson, 38 years, of Monteith Street, West Newport, was charged with setting fire to a shirt against a building in such circumstances that if the building caught alight the offence would amount to a felony. After hearing evidence the Justices remanded Wilkinson to appear before the Court of General Sessions.

In Williamstown Court it was alleged that two fires were set near a bungalow on the property of Charles Camilleri, of Blackshaws Road, Altona North.

Camilleri's niece, Carmel Chircop, resides in the bungalow with her husband.

She told the Court she left the bungalow at 6 p.m. on May 7 and on arriving home at 10 p.m. found the police there.

First person to notice a fire was Bernard Patrick Hayes, of Jeffrey Avenue. He testified that at approximately 9.15 p.m. he and a neighbour put out a fire in some rubbish and boxes heaped near a wall.

Half an hour later Antonia Di Mauro assisted in extinguishing a fire from a petrol or kerosene soaked shirt.

Di Mauro told the Court he saw a Holden which had been parked outside Camilleri's place, being driven slowly away.

Vinko Levanic also saw the car and recognised the driver as Joseph Wilkinson.

Detective Stevens gave evidence of interviewing Wilkinson on May 10.

In answer to questions, Wilkinson said he and Camilleri are brothers-in-law but are not on friendly terms.

Six months ago Camilleri gave him a cigarette lighter which was later taken from his place.

The detective told defendant that a cigarette lighter and shirt which Wilkinson admitted came from his house were found at the scene of the fire.

When he asked Wilkinson "Do you state that you did not light these fires?" he replied, "There is no reason for me to light the fires, and if I say that I lit them they might say I am mental."

WEDDING DRESS FOR DRAMA GROUP

Thanks to Mrs. Sandilands, of Blyth Street, Altona, the Altona Drama Group received a beautiful wedding dress only the morning after the item in last week's "Star." Mrs. Sandilands very kindly donated the dress to the group and in doing so has helped to start the Group's wardrobe.

A committee meeting was held at Rex Jemmeson's home last Friday evening and all but one member was present. Financial status and fund raising efforts were discussed and it was proposed to hold a supper dance for Group members some time in September.

A producer has been contacted for the Group's Drama Festival entry this year and has agreed to hold a minimum of 12 rehearsals. Auditions will be held when the Education Week productions have taken place.

The tension is on now as actors are learning lines conscientiously and productions nearing final stages.

Social Bowls

Winners of the indoor carpet bowls played last week by Altona Bowling Club members were as follows—

THURS.: M. Andress, H. Condon, G. Snowden and P. Gischus (s).

SUN.: M. Woodyard, P. Whitmore, L. Pilcher and N. Richardson.

Congratulations on their wedding anniversary to Bob and Joy McMinn.

A mixed general meeting will be held next Monday, August 1, in the clubhouse at 7.30 p.m.

ALTONA MUSIC SOCIETY

Persons interested in forming a Music Society are invited to attend a public meeting in the Civic Hall on Friday, July 29th, 1966, at 8 p.m.

The aim of the society will be to integrate, co-ordinate and foster every form of musical expression.

Whatever your musical interest—please attend.

S. G. McIntosh, Shire President.

SPASTIC SOCIAL EVENING

Altona Spastic Aid Committee will hold their next social evening this Friday night, 29th July, at 8 p.m., in the Youth Hall, Civic Parade.

The usual prizes, games and supper will be provided for a 50 cent donation.

The committee held a most successful street stall last Saturday morning when they raised \$76. Supporters are sincerely thanked for their donations of goods and patronage of the stall. The roast dinner was won by Mrs. Jackson, 52 Raynor Street, Altona.

Woman's Christian Temperance Union

A meeting of the above union will be held on Monday, August 1st, at 2 p.m. in the Baptist Youth Hall.

All ladies welcome. Please bring your own entertainment.

Admitted to Heidelberg Repat.

After a sudden illness Roy Laney, of Rose Street, Altona, was admitted to Heidelberg Repatriation Hospital.

Latest reports are that he is on the mend and expects to be home within a fortnight.

Elections Soon For Life Savers

The election of members of the executive committee of the Altona Life Saving Club will take place at a general meeting in the clubhouse on Tuesday, August 16, at 7.30 p.m.

Nomination forms may be obtained from the honorary secretary, Mr. R. Hazeldine, or from the clubhouse and must be returned to the secretary before the executive meeting on Tuesday, August 2.

The following offices will become vacant—

President, senior vice-president, vice-president, secretary, assistant secretary, treasurer, three committee members, RLSS delegate, MSBA delegate and public relations officer.

The elected committee will be installed at the annual general meeting on Tuesday, September 20.

The club books will close for audit on August 31 and all claims for payment or monies outstanding should be in the hands of the secretary before that date.

The next executive meeting on August 2 will commence at 8.15 p.m. Prior to the meeting a deputation will attend a meeting of the Parks, Forestry and Properties Committee in the council chambers at 7.30 p.m. prompt.

Street Stall

Methodist Basketball Club Altona Methodist Basketball Club will conduct a street stall in Pier Street this Saturday, 30th July.

Any donation will be welcome and may be left at the stall.

The club asks residents to support this effort and help make it a success.

Elderly Citizens Club Elections

The president, secretary and treasure of the Altona Elderly Citizens' Social Club were re-elected unopposed to their positions at the Annual Meeting of the club last week.

Mr. Sutton continues as president, Mrs. Edwards secretary and Mrs. King treasurer.

Senior Vice-President is Mrs. Farrant and Messrs. Richards and King, vice-presidents.

Mrs. Graham is assistant secretary and Mrs. Lowman assistant treasurer.

Members of the committee are Mesdames Eades, White, D. Smith, V. Butler, Williams, I. Hansen, Johnstone, Rowe, Mitchell and Reay.

First meeting of the new committee will be at 1.30 p.m. on Monday, August 1.

Next Saturday, July 30, will be members' monthly birthday party. A good concert and a jolly party is promised for the first event in the club's year.

The special effort with a doll as the prize has been finalised. Winner is Mrs. K. B. Mitchell, 90 Queen Street, Altona (1190).

Fashion Parade

Models from city fashion houses will parade the clothes of leading manufacturers at a Fashion Parade in the Laverton RAAF Base Cinema on Friday, 5th August, at 8 p.m.

Proceeds of the function organized by the Laverton Branch of the Air Force Womens Association will assist the Educational Patriotic Fund—a fund which assists with the education of deceased airmen's children.

Tickets at 75 cents each are available from the ticket secretary Mrs. F. Watchorne, 68-0311 extension 580.

BAPTIST YOUTH LEADERS HOLD CONFERENCE

A meeting which took place at the Christian Education Centre in Sargood Street last Sunday has brought about a complete revolution in the running and organisation of youth groups connected with the Baptist Church.

Chairman of the discussion was Pastor Reynolds, the Baptist minister, whilst the youth leaders were Capt. A. Culbard, of the Boys Brigade, and Mr. H. Hurlaar, the leader of the Life Boys team, both of whom were well backed up by fellow officers and NCO's. The main purpose of the meeting was to create a firmer link between the Boys Brigade and its junior reserve, the Life Boys.

As a junior division of the Boys Brigade, the Life Boys movement serves to prepare young lads from the ages of eight to 13 years for later service in the Brigade. The Cubs are related to the scouts in the same way as it is believed that if boys are trained and guided in their younger days they will eventually grow to possess all the qualities of a Christian gentleman.

The Life Boys have their program planned well ahead of time and it was suggested by S/Sgt. Jeavons that the Boys Brigade adopt a similar policy and at the same time vary the programs somewhat as many boys are apt to lose interest when they do the same old thing every week. Mr. Martin agreed with the suggestion, but he stated that alternative programs were essential as leaders could easily take sick and unforeseen circumstances often crop up preventing certain plans.

In order that the Life Boys become better acquainted with their senior movement some of them visited Boys Brigade last Friday night and Richard

Beckett, one of the Life Boy enthusiasts, gave an account of their re-actions. He stated that the boys didn't like the discipline of drill marching, but the gymnastics had a great appeal to them. Also, not many of them liked the idea of joining unless they had a friend with them as there were bigger boys in the group and many strange faces; but this was a natural reaction.

Capt. Culbard said that since its formation in Glasgow, Scotland, in the 1880's, the movement had lost most of its regimentation, but the basic fundamentals still remained. This wonderful organisation is still a means of making men out of youths and giving them not only a sound Christian education, but a purpose in life.

Pastor Reynolds summed up by saying that leaders of the movement should ask themselves one question—Were they giving up their time because they felt a sense of duty to the movement or was it sheer love of the Boys Brigade and the youths they instructed that compelled them to be a part of the movement? Pastor Reynolds felt that once this question was asked leaders could then proceed in their work with self-satisfaction.

As a result of the meeting it is hoped that leaders will go back to their organisations with a fresh attitude to their work and that youth groups throughout Altona will flourish this year.

New Staff For St. Paul's

The Cincinnati, Ohio (USA), Province of the Marianists has assumed the responsibility for staffing the first Marianist establishment in Australia, St. Paul's College, Altona North.

The Pacific Province (California and Hawaii) has staffed the college for the past two years, with Brother John McCluskey as pioneer director; Brother Raymond Dotzler, assistant headmaster, and Father William Marshall, chaplain. All will return to the Pacific Province when their replacements arrive from Ohio.

Head master will be BRO. WILLIAM CALLAHAN, M.S. His B.A. degree is from Boston College, a Jesuit institution in New England. His M.S. degree in mathematics is from the Catholic University of America, Washington, D.C. He is a veteran of the U.S. Navy.

Brother Callahan is expected to arrive in Australia late in August.

With him will be BRO. RAYMOND STREIFF, who received his Bachelor's degree in Education from the University of Dayton, Ohio, in 1940. He has teaching fields in mathematics, chemistry and electronics, with a specialty in radio.

Chaplain at St. Paul's in Father Marshall's place will be FATHER DANIEL WINTERS, ordained in 1962 after four years of theological studies in Fribourg, Switzerland. His B.A. degree is from the University of Dayton; he has teaching fields in Latin, French, history, English and theology.

BRO. CHARLES DIPPEL will arrive shortly to become science master at St. Paul's. His B.S. degree is from the University of Dayton and his M.S. from Ohio State University, where he majored in physics. He has taught mathematics, chemistry and biology, as well as physics; his teaching experience amounts to seven years. He has been awarded two National Science Foundation grants for P.S.S.C. physics, one to Fordham, New York, another Jesuit university.

Bro. David Franklin, of the Cincinnati Province, is already a member of the staff at St. Paul's. The sixth Marianist enroute to Australia is BRO. DENNIS BEACH, who received his B.A. degree from the University of Dayton, a Marianist tertiary institution, in June. He has teaching fields in English, religion and art.

SCHOOL MEETINGS

Altona High School

The Altona High School Parents and Citizens Association will meet at the school at 8 p.m. next Monday night, 1st August.

All interested parents and friends are invited to attend.

Two important items will be on the agenda for this meeting—Careers Night and the school fete.

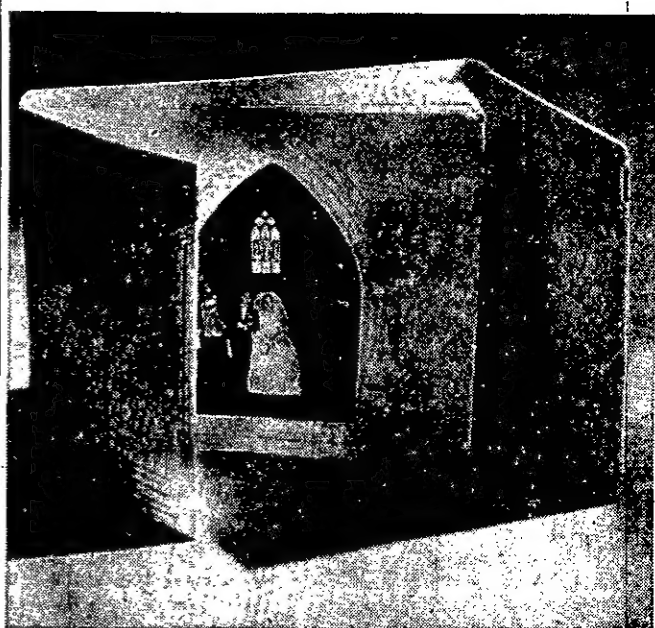

Altona West State School

The next meeting of the Altona West State School Mothers will be held at the school on Thursday, August 4th, at 7.30 p.m. Ladies attending this meeting are asked to bring with them their donations for the Education Day stall.

Altona North Primary School

The next meeting of the Altona North Primary School Mothers Club meets next Monday, 1st August, at the school at 1 p.m. sharp. New members are always welcome. The club is busy planning and working for the bazaar to be held in November. Donations of saleable goods would be appreciated.

St. Paul's has Forms I and II this year, with an enrollment of 280 boys from the seven parishes in the region it serves. Eventually it will accommodate upwards of 700 students. Additional Marianists will be sent from the U.S.A. as the College grows to matriculation level.

Seaholme Takes Primary Schools Grand Final By One Point

Last Friday at Grant Reserve, Seaholme and Altona met in the Williamstown and Altona District Schools Sports Association Grand Final.

Seaholme won by one point to win its first premiership ever.

A strong, blustery north to north-westerly wind marred the game making good football almost impossible. The game developed into a dour struggle, neither team being able to show their true form.

Altona won the toss and elected to kick to the Civic Parade end with the wind.

Playing good, open football both teams struggled for the advantage with the Seaholme backline functioning well under pressure.

Late in the first quarter Altona broke through for a goal and then followed with a behind.

In the second quarter with the wind behind them and using it better, Seaholme attacked repeatedly and but for Altona's last line of defence, would have built up a commanding lead.

However, at half-time, with only one goal, three behinds on the board the game was still wide open.

In the third quarter Seaholme, playing intelligent windy-day football, completely bottled up the Altona attack, both sides being scoreless for the quarter. Seaholme's ruckmen were winning well but this advantage was nullified by the supremacy of the Altona little men who sharked many of the hit-outs and scouted the packs in fine style.

In a heart-stopping final quarter, with only two points the difference, Altona, showing great fighting spirit came forward again and again against the wind. Halfway through the quarter they rushed through a further behind to bring them within one point of the Seaholme score.

With the pressure really on and the wind still playing havoc with the players' judgment, Seaholme defended desperately to hold Altona out and run out winners by one point.

Clarke, Seaholme, was replaced and Marshall Seaholme was injured in the last quarter.

Final Scores: Seaholme, 1-3-9; Altona, 1-2-8.

Best for Seaholme: D. Marshall, B. Douglas, R. Ewen, S. Taylor, A. Spencer, S. Luck, P. Burgess.

Best for Altona: R. Emmins, C. Jones, J. Trickey, S. Jensen, G. Hardham, G. Groves.

At the conclusion of the match Mr. J. Brown, Head Teacher of Williamstown School and president of the A.D.S.S.A., congratulated the Seaholme team on their first premiership and presented the shield to Seaholme captain David Marshall.

Both coaches, Mr. G. Murdoch (Altona) and Mr. D. L. Finn (Seaholme) commended the boys on their performance special mention being made of their determination and team spirit.

South Melbourne footballer Eric Sarich umpired the match and did an excellent job under the conditions.

Seaholme now enters the quarter-finals of the Metropolitan Schools' Football Premiership and will play the premiers of the Kingsville-Yarrawille district on Monday at 2 p.m. at Hansen Reserve.

SPECIAL EFFORT RESULTS

Following are the results of a special effort drawn at a recent dinner dance held by the Central Altona Football Club.

1st Prize — 822 — Carmen Yerri, 60 Eames Av., Brooklyn.

2nd Prize — 1957 — C. Presti, Footscray.

3rd Prize — 2055 — Mrs. Chater, 9 Ellis Street, Braybrook.

4th Prize — 2626 — Muriel McNally, 42 Conifer Avenue, Brooklyn.

TREE-PLANTING CEREMONY

Altona East Primary School

In order to beautify the grounds and further distinguish the roles of the House Captains at the school, Altona East has instituted an annual ceremony in which the girl and boy Captains of the four houses plant a tree. In front of each tree is a plaque displaying the year, house, and Captains names.

By continuing the scheme in future years it is hoped to completely encircle the school oval and grounds with shady trees. The Headmaster, Mr. C. G. Duffy, purchased the trees with money provided by the School Committee.

The Captains who planted trees were:

DINPANARI—Graham Fullarton and Cheryl Wood.

MARATALLA—Donald Mills and Domenica Delcua.

MONANA — Wayne Tribe and Marion Colguhoun.

PANPARITA—Geoff Carroll and Angela Sfameni.

Mothers Club Birthday

Wednesday, July 20th, was the 6th anniversary of the formation of the Altona East Mothers Club. To celebrate the event a dinner was held in the Lutheran Hall, The Broadway.

SPORT

Altona East Lose Football Semi-Final

Altona defeated Altona East in a district Semi-Final last week. Altona's teamwork and marking was better, and this paved the way for their win.

ALTONA, 1-1, 2-4, 3-4, 6-7-43.

ALTONA EAST, 0-1, 0-2, 1-4, 2-6-18.

Goals—A.E.—M. Cassar 1, G. Williams 1.

Best—A.E.—Russell Yardley (wings), Donald Mills (full back), Ray Harfield (ruck), Graham Fullarton and Geoff Carroll (rovers).

SOMETHING FOR EVERYONE

There will be something for everyone at the YMCA centre in Essex Street, West Footscray, during the Hobbies and Handicrafts Exhibition from July 28th to 30th.

Steelweld of Tottenham have agreed to place large construction machines in front of the centre, and they will permit the kiddies to climb on the machines and see just what makes them 'tick'—an offer few young boys would resist.

The Navy will give underwater demonstrations in the centre's pool, while members of the commando sky diving club will display parachutes and other equipment. The club president, Mr. D. Tyler has made over 500 parachute descents.

At 10 p.m. on Friday night there will be a gigantic fireworks display in the tip opposite the youth centre, and on Saturday morning at 9-30 the Metropolitan Fire Brigade will give a demonstration on its giant ladder, and also a display by its gymnastic team. The doors of the centre will open at 10 a.m.

Mum and the girls will find the experts in glass blowing, pottery, cake decorating, and make-up of great interest. Also very popular will be the demonstrations in spinning and weaving, and stone cutting and polishing.

Both the Victorian Railways and the Police are attending with their fine displays, and the Army will have their large mobile unit there. The R.A.A.F. will have a display of various types of models of missiles, the new plane F.111A, and other types of aircraft.

The recreation room at the centre has become a trade section, and car firms will be represented in the outside area.

The Footscray YMCA will indeed become 'Footscray's Exhibition Building'.

ALTONA GUIDES AND BROWNIES MONTHLY REPORTS

1st SEAHOLME GUIDE COY.

Child Nurse Badge for 1st Denise Crofts, Jill Colvin, Anne Buchanan and Moira Duffs.

Mrs. Hearn is thanked for testing and arranging practical tests for the 1st class Guides, and especially for coming out on these cold nights to assist the girls.

Twelve girls are doing their Tenderfoot and progressing very well. Kaye Farmer walked up from Brownies. Company funds are being raised by making toffees each fortnight. The first effort raised 92 cents. As there are now so many girls in the Company Parents are requested to arrange to pick up girls at night as it is impossible for one person to see them all home.

1st ALTONA BROWNIE PACK

Janice Burke and Susan Noble gained their wings and were flown up to Guides. Karen Fawsey and Kaye Farmer walked up.

The following Brownies have passed their Thrift Badges.

Jeanie Huisman, Cheryl Goucher, Kathleen Lynner, Yvonne Mason, Lynne Goldie, Brenda Mather, Susan Malin, Lynne Fachney, Lorraine Duff, Annette Frost, Christine Graham, Joanne Shanks Wendy Davies, Joyce Hewitt.

The following have passed their Road Safety Badge.

Joyce Hewitt, Debbie McBride Jeannie Huisman, Ann Van Tuelingen, Lynnette Bulmer, Kersti Toom.

Kersti Toom also passed her swimmers badge.

Four new recruits have been welcomed.

2nd ALTONA BROWNIE PACK

Golden Bar has been passed by Anne Morris, Sandra Golacki, Roslyn Smith and Wendy Hopkins.

All but two of the enrolled Brownies are now in the Golden Hand Group.

The Pack paid a visit to Tawny Owl Scott, taking a gift for the new baby. Eight twentys joined the pack last week.

There seems to be a lot of mothers who do not attend the Local Association meetings. The group would be very pleased to welcome any who can come along. The meetings are held on the second Wednesday in every month. The next meeting will be the Annual Meeting held in the Scout Hall on August 10th, at 7-30.

1st ALTONA GUIDES

Owing to illness a report is not available from Mrs. Hatfield.

FIVE NEW APPOINTMENTS AT ALTONA PLANT

B. F. Goodrich-C.S.R. Chemicals Pty. Ltd., makers of PVC resins, have announced five new appointments at their Altona plant.

Mr. Norman Gamble has been appointed Technical Service Manager. He was formerly Chief Chemist, then Technical Manager with the company.

Mr. Jack Marshall, who recently joined B.F. Goodrich-C.S.R., after 28 years with Commonwealth Aircraft Corporation, has been appointed Personnel/Industrial Officer.

Mr. Ralph Taylor has been promoted from Production Superintendent to Production Manager — Monomer Plant; Mr. Ian Baker, a chemist, has been appointed Area Superintendent; and Mr. Arthur Bunnell has been promoted from Assistant Accountant to Plant Accountant.

The B.F. Goodrich-C.S.R. plant produces PVC—vinyls for flooring, hosing, rainwear, wiring, shoe-soling, bottle manufacturing and dozens of other uses. It is one of the six chemical companies in Altona petro-chemical complex.

SCOUT AND CUB NEWS

3rd Altona

The next Committee Meeting of the above Group will be held at 8 p.m. on Wednesday, 3rd August, at 134 Blackshaws Road. All Parents are cordially invited to attend this and future Committee Meetings, which are held on the first Wednesday of each month.

The Group needs all the support that Parents can give. Scoutmasters and Cubmasters give up many leisure hours to train boys in the ways of scouting and cubbing, and whatever help that Parents can give would be greatly appreciated. Why not make enquiries as to how you can assist the Group?

SCOUT TROOP

Mr. F. Townsend has been appointed Scoutmaster and is ably assisted by Mr. G. Hartman. Cubs recently promoted to the Scout Troop have now passed their Tenderfoot. Congratulations to P. McAnulty, M. Hammond, S. Chapman and P. Boardman.

New Scouts V. Hartman and I. Moloney are also to be congratulated on passing their Tenderfoot.

CUB PACK

New appointments have also taken place in the Pack and Cubs are happy to welcome Mr. L. Seliman (Akala), assisted by Mrs. Townsend (Baghera), Miss K. Rivett (Baloo) and Mrs. V. Chapman (Ricky). Welcome to new chum Mark Murphy. Mark now brings the Pack to its full complement of thirty boys.

During August two Scouters will be attending a Cubmaster's Conference at Warrnambool. At 2 p.m. on Saturday, 6th August, 3rd Altona Cubs will challenge 10th Footscray to a football match at Cooper's Reserve adjacent to the Altona East State School, so Mum and Dad, keep this date in mind—it may be better than the league match of the day.

TENNIS NOTES

The Western Suburbs Tennis Association has received approval from the L.T.A.V. to hold this year's School-boys and School-girls Tournament from September 5 to 9, 1966.

Matches will be played on local courts and entry forms will be available from Secondary School Sportsmasters, Club Secretaries and Coaches after August 9, 1966.

Programme will be listed in the Sun and all Local papers.

A.N.T.S. WIN SQUASH TITLE

The first western inter-school squash competition has been won by a team from Altona North Technical School. In the closely fought winter series the local boys only lost one match.

Regular members of the team were Tad Joniec (captain), Stephen Milan and Zdzistav Sczerba. Fourth position was covered by Felix Kasprzak, Wayne Curran and Konrad Kolaritsch.

Final competition results were: 1st, Altona North Technical School, 64 points; 2nd, Footscray, 56 points; and 3rd, Sunshine, 48 points.

200 WATCH JUNIOR SOCCER MATCH

Young Altona soccer player Nat Little was presented with a special trophy after the 3rd round match between Altona and Altona West in the Under 12 cup series last Saturday.

Nearly 200 soccer fans greeted the youngster who was named best player on the field. Nat has already scored 50 goals for this season.

Scores were Altona 3 (Little 3) defeated Altona West State School, 1 (de Neef).

Best — Altona: N. Little, G. Reardon, A. Spencer, Altona West: R. Gilpin, R. Mathieson, K. Eaton.

Other results in the Under 12 matches were:

Sunshine City A, 8 (Banagan 3, Wilson 2), Mussel Spiteri, Buttigieg) defeated Newport, 0.

Best — Sunshine: T. Banagan, P. Banagan, F. Mussel Newport: V. Mierzwa, N. Susa, F. Callus.

Ardeer, 2 (Rightmyer 2) defeated Bayswater, 0, after extra time.

Best — Ardeer: S. Slwinski, A. Rightmyer, Mercieca.

SUPPORT FOR ASSEMBLY HALL FUND

If the present flow of contributions continues to the Assembly Hall Fund at Altona North Technical School it should be possible to commence building in about 15 to 20 months reports the principal, Mr. W. R. Seamer.

He said increasing interest in the project is being shown by parents, students and the general public. More than ever it is being realised that a first class hall situated in Altona North could become a centre of cultural activity for the community.

Recently the school council transferred another \$500 to the fund — \$200 from the book-stall, \$200 from the Parents' Contributory Fund and \$100 from the cafeteria. Total cash in hand is now \$6,675.

Recent donors to the fund include A.C.I. \$100, P.R.A. \$50, A.P.C. \$20, A.S.R. \$10, James Hardie \$10 and Weld-rite Engineering \$200. All these firms have helped on previous occasions — some with quite substantial donations. Their assistance is very encouraging to the school council, parents, staff and students.

OTHER SCHOOL ACTIVITIES WELL SUPPORTED

Major objective of the Mothers' Club for 1966 is the Assembly Hall Fund.

A recent picture night netted them \$9 and shortly the club will have on sale school pennants, tie bars and tea-spoons.

The Parents' Contributory Fund has so far raised \$916 for 1966. As it is generally believed parents prefer direct giving to this fund there will be no school fair this year.

Social service contributions from the boys total \$430. Main objective is the "Freedom from Hunger" campaign. \$200 has already been presented to this appeal and another \$71 was spent on equipment for the Chis-lon Spastic Centre at Seddon.

Dear Sir,

Whilst being appreciative of Mr. Doug Grant's position as an intending Municipal Council candidate, and therefore the theme of his letter ('Star' 21 7 66) being part of an election campaign, relative points raised in his letter must be challenged.

His statement, "That Labor Councillors have gone to greater lengths with their attention to civic duties since Cr. Crofts was elected," will not fool anyone, and I for one would like him to elaborate more on this statement, and inform the readers of your paper, such occasions where this has occurred.

His reference to "being contounded by the reception of some people he has contacted," and the replies he received, does not necessarily mean that his interpretation of "being untouchables and must never be opposed" is correct, it would appear that he did not consider the possibility that these people are well aware of the achievements of an A.L.P. team, who have always worked as a united body, with a determination of the continuing progress of this community in its entirety.

Also he may not have considered that these people realise, that among the Labor team he wishes to oppose is Altona's Board of Works' Commissioner, who by constant and outstanding work has resulted in huge amounts of money being spent in this municipality, and with further large sewerage projects now being commenced.

My view would be that people realise the importance of such an experienced Commissioner being returned to Council to continue the outstanding work so far achieved, and are also aware of the ground that would be lost by having a new Commissioner elected, who would no doubt take a considerable time to gain the experience of Cr. Ginfier.

Yours faithfully,

G. F. STIRLING,

Secretary A.L.P. Altona Municipal Campaign Committee

Dear Sir,

I am thoroughly disgusted at the continued complacency of many of my fellow Australians in regard to the question of alleviating hunger and distress in India and other countries.

The negative attitude of some who say they will not help unless it is direct to some church organisation or friend in the actual situation, seems to me to be a method of questionable defence mechanisms aimed at doing exactly nothing!

While our bellies are regularly filled with food and our children remain relatively healthy, it is easy for us to remain remote from this area of need by giving the occasional tin of powdered milk or few cents once a year, thus appeasing some persistent collector.

But what we need to be reminded of is the fact that because we have been so richly endowed in Australia with food and other resources of a technical and industrial kind, IT IS OUR DUTY to face what must be described as the greatest challenge that has confronted mankind — that of feeding the growing population of the world.

This is done by the direct method of initial supplies of food, and the indirect or long term method of supplying equipment and technical know how to these countries so that in time they may help themselves.

You, the citizens of Altona can be a part of this scheme. We call ourselves 'Christians' which means we are mindful of the fact that we have a universal 'Heavenly Father' in which case we are equally responsible for these under-nourished people.

Dear Sir,

Through your paper, I would like to draw the Rate-payers attention to the Altona Municipal Quarterly Report as just issued by the Council.

I must state that, in principle, I agree with some of the measures being adopted regards Clean Air Investigations.

However, the report as I received it shows many inconsistencies. The Quarterly Report on Clean Air Investigations states that for No. 2 Instrument, the range of particulate matter collected was from 0.01 to 0.021 milligrams per cubic meter with an average of 0.098 milligrams per cubic meter.

I would like this explained:

1. How can the range be 0.01 - 0.021 with an average very much (5-10 times) higher at 0.098 milligrams per cubic meter?

2. How can it be concluded that pollution levels in Altona are only slightly below that for urban areas in the USA with readings taken over such a short period of about four to five weeks?

3. How can Council justify shifting the No. 1 Instrument from the Civic Office site when it show a range of results from 0.01 to 0.29 milligrams per cubic meter? A result with a much higher range than No. 2 Instrument.

4. How can it be concluded that No. 1 Instrument has served a useful purpose for comparison?

With all due respects, I would say that somebody has printed a decimal point in the wrong place for the No. 2 Instrument.

If such is the case, the Councillor responsible for this issue probably did not check the report before its distribution and the Council Public Relations image must consequently be adversely affected.

Pollution is only part of the problem in Altona. One of the pertinent points lacking in the Quarterly Report is the one so vital to all ratepayers on FINANCE. This must-and should have been included.

I would, therefore, like to urge that all "thinking rate-payers" take closer notice of what is issued from the Council and a keener interest in your local affairs.

Your opportunity to take positive action exists on August 27. Don't miss it.

Sincerely yours,
DOUG GRANT, Dip. App. Chem., A.R.A.C.I.
122 Blyth St., Altona.
July 25, 1966.

EDITOR'S NOTE

[The "Altona Municipal Quarterly" was printed in the Altona Star office under the direction of the Altona Council. Final proofs were checked by council officers.]

Dear Sir,

Congratulations to the writer of the letter in the 'Star,' dated July 21 (Rusty shop front).

I endorse every word, especially the "hygiene of the shop."

Some people should look after their animals if they want them.

They should keep them in their backyard loose, not running the streets, and see they are fed properly and a decent place to sleep in.

If they cannot treat their animals as they should be treated, do not keep them.

ANIMAL LOVER.

Suggested methods of giving could be the earmarking of a regular weekly amount to be given through your church or social club or service organisation. You could drop it in to Les Russell's butcher shop in Pier Street, where an excellent display has been set up. You could obtain from the undersigned an application form to join the 'Two Dollar Army' as part of the Freedom From Hunger Campaign.

You could do one of many things to remove hunger — 'the most disintegrating enemy of human dignity.'

(Rev.) JOHN HAYSEY.

Altona Pedal Club Riders Do Well

Eric Sorrell won another trophy at the Pedal Clubs' Rally at Port Melbourne last Sunday.

Other successful riders from Altona were Susan Harper, Jamie Dight and Wayne Sorrell who were awarded certificates.

Riding against strong winds made it a hard day for the young riders but nevertheless

they had an enjoyable day.

Christine Bebed and Kerry Sorrell both acquitted themselves well considering they had such short notice to compete in the club events.

Practice will be on again next Sunday afternoon at 2 p.m. sharp at 28 Linnet St.

GOALS (Altona): Harrington 4, Rohleder 3, Schwabe 3, Ewen and Wenlock.
BEST (Altona): Rohleder, Tyrrell, Harrington, M. Piovesan and J. Petersen.

Altona won their first game away for the season when they defeated South Melbourne Districts by 14 points.

Altona won the toss and kicked with the wind to the railway end goal and were the first to score with a behind, which was rushed through. South Melbourne replied with a behind.

Altona's first goal was kicked by skipper Noel Rohleder. Altona were playing below their usual form and this was mainly due to the umpiring, which was of the lowest standard seen since Altona joined the Metropolitan Football League.

The second major for Altona came up when Harrington handballed to Rohleder, who made no mistake in kicking his and Altona's second. Centre half forward Harrington put the third goal on the board and at the first change Altona led by three goals.

Altona were expected to go further ahead in the second quarter, but this was not to happen.

South's first major came up after their eighth shot for goal. Then they put on two quick goals and were only trailing Altona by four points. Good play by wingman Reid, who, with a left foot kick, found Harrington and he kicked Altona's fourth goal.

Not long afterwards Rohleder, scouting the pack, kicked the fifth major for Altona, also his third. From the bounce centreman Tyrrell, with a long drop kick, found full forward Wenlock who put the ball through for the sixth Altona goal.

South Melbourne replied with their fourth goal just before half-time.

Altona had kicked three goals from three shots in this term and were seven points ahead.

Altona were again first to score in the third quarter with a behind. Not long after Ewen broke away from the pack and kicked Altona's seventh goal. Ruckman Schwabe, with a

kick off the ground, scored the eighth goal. From a ball up ruckman Yorke palmed the ball to Harrington who registered Altona's ninth goal and his third for the match.

Altona's backmen were continually repulsing any South Melbourne attacks. Full back Mario Piovesan's kicking and marking was a feature of the game. Half back flanker Bill Devereaux followed his opponent down the ground, marked the ball and played on to find Schwabe who kicked Altona's tenth goal.

South Melbourne replied for their fifth major. During this quarter half forward Mal Tisdale changed places with rover Rielly. During the term Altona had 14 shots for goal to register 4-10. At the last change Altona had a lead of 32 points.

South Melbourne opened the last quarter with two quick goals to trail by 20 points.

Schwabe and Harrington kicked truly for Altona and South Melbourne replied with another two goals.

Altona finally ran out the victors by 14 points to give them their first win for the season away from Altona.

During the last term Whitmore replaced Gurrie and Sheriff replaced Wooding. After being absent for a few weeks, Altona welcomed the return of Mal Tisdale and Geoff Ewen, who both added much need strength and pace to the forward line.

NEXT GAME

This Saturday, July 30, Altona will play Northcote Park at Grant Reserve, Altona.

This game promises to be interesting as Altona have to beat the top team to remain in fourth position and to keep their final four prospects alive, so all locals are welcome to come along and support their local team. The match commences at 2.20 p.m.

WESTERN SUBURBAN FOOTBALL LEAGUE

CENTRALS MAINTAIN GOOD FORM

Open age results in the Western Suburban Football League show that Albion have improved a lot, but too late, and Maidstone have made their quest for the four much harder by being defeated at the hands of Central Altona, who are developing a strong claim on the premiership.

In the Under 18 Centrals are showing similar determination. By using the strong wind to the best advantage, they were able to comfortably defeat West Newport.

By half time in the match at Werribee, it looked like Laverton might have been going to give the locals a repeat dose of their previous game, but Werribee got busy in the last half and ran right away from their opponents.

Altona and Werribee Under 16, both kicking the same scores, had good wins over Newport and Devon Park respectively.

GOALS (Altona): Wenlock 4, Hobbs 3, Walker 3, Duncan, Stevens, Haugh and McIntosh.
BEST (Altona): Duncan, McDonald, MacFadyen, Haugh and Thompson.

In a game marred by a howling northerly gale Altona overwhelmed Newport last Sunday at Grant Reserve.

McGarry replaced Jablonski ('flu) in the selected side and Zapart was named as 20th man. The players formed a guard of honour for Sam MacFadyen, who was playing his 50th game with the juniors.

Newport won the toss and kicked with the gale, but Altona were first into attack when Thomson was freed at the bounce. Both defences were on top early and forced play on to the non-scoring pavilion wing. First score of the game came when Walker marked close in and kicked truly for a goal to Altona.

Allen raced in but was off target for a behind, but was very prominent in the next Altona attack when he marked Wenlock's pass and quickly hand-balled to Hobbs in the goal square and the little rover kicked truly.

Newport's attacks collapsed on the rock-like defence of Thomson, Taylor and Butterworth, who were all in dashing form. John Duncan and Peachey forced Altona goal-wards and again Allen's handball was responsible for another Altona goal as he passed to Wenlock and the "Moose," with sheer strength kicked the ball through although held by a Newport backman. At quarter time Altona led by 19 points.

Racing into attack with the wind Altona found it hard to score as the Newport backs defended grimly, pushing the ball out at every opportunity.

A behind was rushed and Duncan and MacFadyen twice missed the big sticks, before Hobbs kicked his second goal. Again MacFadyen was off target and it was Haugh whose long shot bounced over the outstretched hands of the pack for Altona's fifth goal.

Duncan secured near the centre and his long punt brought up the sixth goal. His next shot, however, was worth only a behind and Walker marked the kick-off and up came the seventh goal.

The ball was out of bounds continually until McIntosh secured and raced into an open goal for the eighth major and at half-time Altona had a lead of 56 points to nil.

The wind was stronger than ever at the start of the second half and the defences of both sides were on top.

Frequently an Altona forward move was foiled by the

wind which blew the ball further from goal than it had been kicked. Allen broke away from the Altona half forward line and passed to Wenlock, who raced goal-wards and after two bounces left-footed Altona's only score for the quarter—a goal.

Newport attacked from the bounce and, deserved more than the behind that they scored following a nice high mark. At three quarter time Altona had the game won with a 61 point lead.

The last term saw Altona start with a rush—determined to pile on as many goals as possible.

Hobbs was first to register full points and Wenlock very quickly followed suit, but then the rot set in as Duncan, Wenlock, MacFadyen, McGarry, Walker and McGarry again all scored behinds for the locals. At this stage the Newport full forward was the only player standing on their side of the centre; the Altona backs were huddled up on the ground trying to keep warm.

Again Walker marked close in and kicked truly and in the next onslaught Wenlock left-footed his fourth goal from a scrimmage in the goal square. MacFadyen missed again and Walker's long shot was off target too. Stevens marked close in and up came Altona's fourteenth goal.

Kearsley's long shot was astray and Wenlock added to the tally of behinds when his shot was touched. Keeping up the pressure Hobbs kicked a behind and Stevens, after marking from MacFadyen, hit the post and Allen, Kearsley and MacFadyen brought Altona's total of behinds for the quarter to 15 as the final siren went.

NEXT GAME

Next Sunday's match is against West Newport at Loft Reserve, Maddocks Road, and all supporters are cordially invited to attend.

THANKS

Thanks this week to the St. John Ambulance Brigade man Mr. W. Noonan, Mr. H. Reynolds and Mr. N. White and to the cadets for the continuous attendance at all the matches and their every ready attention to the players.

Also to Mrs. Margaret Thompson who does all the purchasing for the kiosk and to Mrs. Dight and Mrs. Wenlock who keep the goal umpires coat in good condition and repair the numbers on the jumpers.

BEST (Altona): R. Stephensen, L. Thompson, D. Hardem, B. Meddings, J. Piovesan and P. Iiter.

Brunswick won the toss last Saturday at Grant Reserve against Altona and kicked to the Civic Parade goal.

This quarter saw Brunswick into attack most of the time. D. Hardem, K. Thompson, R. Meddings and L. Thompson battled hard for Altona to keep Brunswick out.

At the first change it looked as though Altona had every chance of winning, but they could not break through the

strong Brunswick back line. This was to be the pattern of play for the next two quarters. But one thing stood out—even when beaten Altona never give up.

NEXT GAME

Altona go out to meet Bellfield next Saturday and should be full of confidence and if their forwards don't pull their left boots on their right feet they should win this match.

Laverton Beaten In Third Term

WERRIBEE 5-7 5-7 12-13, 13-13—91
LAVERTON 0-0 4-2 4-3 4-7 —31

GOALS (Laverton): Morrison, Thomson, Howells and Tyrell.
BEST (Laverton): Hoggar, Howells, Jarrett, Monk, Thomson, Jezierski and Giblin.

In a game marred by sub-standard technical umpiring, Laverton were well beaten by 60 points at Soldiers Reserve, Werribee, last Sunday. Laverton at no stage took control as the ball was frequently on the wrong side of the fence.

The game commenced with Laverton kicking against the wind. Werribee attacked, but were repulsed by good play by big "Doobs" Hoggar. Then George Hogg (L), under great pressure, kicked the ball off the ground in the goal square, only to see the goal umpire signal a goal for Werribee.

More goals followed as Werribee were taking full advantage of the wind. Laverton's first free late in the quarter brought ironic cheers from the crowd. Many frees in front of goal were costly as Werribee added another goal. Late in the quarter Hoggar, Thomson and Monk combined well to drive the ball deep into the Laverton forward line in their first real forward move. Giblin's towering mark won applause from most sections of the crowd as he ended a promising Werribee attack.

The second quarter saw Laverton, aided by the wind, attacking vigorously. Tony Monk was burning on the wing as he repeatedly drove Laverton into attack.

Then Laverton's first goal came up when Morrison goalled from a free. A brilliant individual dash by "Hole" Thomson was capped off by a 50 yard goal. Jarrett and Hogg kept the Werribee forwards scoreless, but ineffectual forward play, the little man in white and the fact that Laverton was trying to come

in through the wrong flank proved costly as Laverton could not kick goals.

Then smart scouting in front of goal was well rewarded with a goal to captain Terry Howells. Laverton's fourth goal was kicked by Peter Tyrell after a free from a ruck infringement.

Good marks by Hoggar and Thomson were taken from them for no apparent reason by a much too technical umpire.

In the third term, Giblin was prominent early with four good clearing dashes from the goal square.

The quarter was all Werribee as goals came with little effort. Bob Scott, as loose man in defence, proved effective and won many kicks. At the end of the quarter Werribee had the game well in hand with a lead of 58 points.

The final quarter saw little change in difference of scores. Play saw-sawed between the two back lines.

Then Werribee scored against the wind—the first for the match. Rees and Giblin scored behinds from promising attacks.

Terry Howells' snap and Dave Jarrett's long shot could only manage behinds as a disappointing game came to a finish.

SUMMARY

The third quarter of Werribee left Laverton floundering after Laverton were let down by their apparent inability to talk amongst themselves on the field. At least five of Werribee's goals came from free kicks within easy kicking distance of goals and such occurrences don't help a team's

chances of victory. Many of the less experienced players still hurry their kicks and consequently unintentionally penalise the side.

BEST (Laverton): HOGGAR—The driving force behind Laverton all day with 24 kicks and 11 handpasses. He rucked tirelessly although he received very little help from the umpire; **HOWELLS**—A tenacious display of nuggety roving. An inspiring captain's game; **JARRETT**—Marked well, kicking equally well. An attacking game from centre half back and ruck; **MONK**—Fiery little centre wingman who continually beat two and three opponents when going for the ball; **THOMSON**—Fought on gamely all day after receiving a heavy knock early. His kicks were all to position; **JEZIERSKI**—Inteligent game of forward play at centre half forward. Everything he did had a touch of polish about it; **GIBLIN**—A sharp defender when Werribee were kicking with the wind.

NEXT GAME

The next game will be on Sunday, July 31, against Newport at Newport. All are welcome to attend.

Altona Presses for Hockey Four

In a replay of a previous game Altona found it hard work to collect the points against University Blue.

With a re-arranged side not working well in the first half, Altona was kept in the game by the brilliance of goalie Bob Verity and good performances by halves Swanson and Blakiston.

Re-called forward, Ron Smith, putting plenty of dash in the centre of the attack, was a little unlucky not to put Altona in front before the break.

In the second half the backs, with newcomer Dave Spackman and centre half Norm Hunter starting to find their feet, began to open up the game for scoring opportunities. The first score came from a penalty corner which was pushed through a jumble of defenders and Altona took the lead.

Winger Denis Bartlett provided the next chance with a good centre along the back-line and Ted Molloy collected his second goal. University

came back into the game to score and pressed hard to equalise but was again repelled by the outstanding play of Bob Verity.

Altona went on to defeat University Blue 2-1.

GOALS: Molloy 2.

BEST: B. Verity, V. Swanson and R. Smith.

C NORTH

Altona, with three changes in the team, owing to two players being promoted to A Reserve and their captain out through injury, went out to Brunswick, second on the ladder behind Altona.

The ground was a quagmire and Brunswick handled the conditions well to force seven short corners against Altona's defence.

The defence stood up well to this attack and only let one goal in.

Altona now behind, rallied and with strong play found the goalie out of position to let McCauley in to even the score.

In the second half rain made hard work of the game, but the defences, with new man Lenesszyn playing well, kept the Brunswick side out. Docker then goaled to finish the game 2-1 in favour of Altona.

BEST: J. Gardner, G. Shields and B. Smith.

D NORTH

Altona met the top team, Essendon Grammar School Old Boys, in rain which was literally pouring down. Altona's ground soaked up the water almost as fast as it fell, allowing the game to proceed with much pace and skill.

Mid-way through the second term the rain let up, both teams still being scoreless. The Altona backline was playing a clearing and forceful game, whilst the half line was combining well and in the midst of the game all day, although at times many gaps existed. Again the rains came and EGSOB showed that extra amount of team work and finished the game to win 2-0.

Mark Cibej, left half, was forcing the ball forward all day with good determined hockey and combined well with centre half Robert Waters, covering the forward moves of EGSOB. Left back, Peter Egan, cleared the ball well and won many tackles. The spectator award goes to Mrs. Smith.

JUNIOR HOCKEY

The three Altona Junior Hockey Teams all have the double chance in the semi-finals commencing next Saturday.

The only blot on the horizon is the lack of players. Last Saturday Under 16 were two players short and may have to disrupt a side below them to have a full side. This may appear hard, but they are playing for the "blue ribbon" of Victorian Junior Hockey and any player promoted to this team will certainly benefit from playing in a higher competition. This has been proved by juniors in the past who have earned State selection, mainly because a "boy" was sent on a man's errand.

Quite an impressive line up since it started—Ross Ford, 1964 Touring Team, 1965-66 Juniors; Bruce Forrester, 1964-65 Touring Team; Jeremy Hunter, 1965 Touring Team; Shane Cronin, 1965 Touring Team, 1966 Juniors; Wally Lenszyn, 1966 Juniors; Charlie Muscat, 1966 Touring Team—Over to the selection committee.

UNDER 16

Altona defeated Kew 4-2 in the final home and home game at Royal Park on Saturday. Although playing two players short, Altona showed they will be the team to beat providing they muster a full team for their semi-final game against Toorak.

GOALS: Ford 2, Cronin and Challis.

BEST: Bruce Forrester, Colin White and Alan Challis.

SATURDAY'S SEMI-FINALS

Under 14 v. Greensborough at Royal Park No. 2.

Under 12 v. Greensborough at Royal Park No. 2.

LADIES HOCKEY

D GRADE

After having a rest from play last week Altona went on to the field against Essendon refreshed, but as play progressed through the first half, Altona seemed to have forgotten how to play as a team. The ball was fumbled and the team didn't combine. Only one goal was scored from the many attempts.

At half-time many words were said and Altona came out determined to win. More system was used in the game and Altona came back to its usual form.

Two more goals were scored which spurred the team on.

Essendon tried to hit the ball their scoring end, but Altona's defence was too strong. Within five minutes three goals were hit by Altona, making the final score Altona 6 to Essendon 0.

GOALS: Liz Szatkowski 3 and Nelly Skolny 3.

BEST: Robyn Howard.

ALTONA SAFE IN SOCCER NOW

Last Saturday at Moonee Ponds Altona made sure of staying in Division 2 by beating the local team 4-0.

The game was marred by a gale force wind and a bumpy surface on the playing field. The Maroons tried to play good football, but it was impossible.

Walter Rosenzweig made a welcome return to the right wing and young Tony Cassar made his first appearance in the first XI.

From the kick-off it was obvious that the Maroons were going to win, the only doubt was by how many goals. They squandered away some early opportunities before Jim Black scored his first goal, a drive from outside the box which beat the goalkeeper.

Altona continued to dominate the game. Steve Herman (making his 51st appearance for Altona) was trying hard to get a goal, but it was young Tony Cassar who notched his first goal in senior football and Altona's second goal.

"Professor" Wilkie fired a hard shot across the goal and there was Cassar, who with a good looking back heeler, flicked the ball into the net.

After the turnaround play was scrappy for a while, Chris

Karamatoes and Bobby Milloy were up in attack and both blasted hard shots over the bar from close in on goal and it was all Altona.

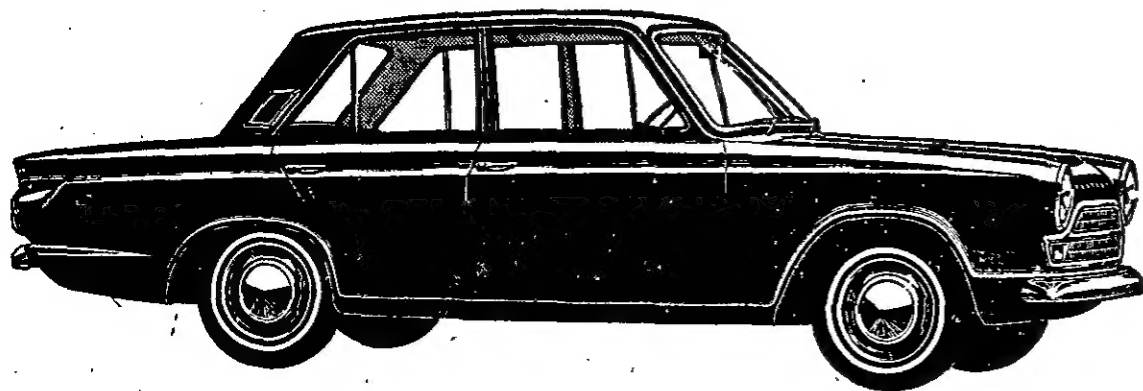

A fierce drive from Jim Black from the edge of the box flew into the back of the net to make it 3-0.

Jim Brown in goals and the two full backs, Andy Rice and Craig Copley, were having a very easy time, only spasmodic raids by the Moonee Ponds forwards left them shivering in the cold nearly all day.

Walter Rosenzweig scored the fourth goal with a brilliant header from a good corner by Mario Grecco.

A rather easy win to Altona but next Saturday it won't be so easy. Altona play Fern-tree Gully who are playing well at the moment. The first XI play at 2.45 p.m. and the Reserves at 1 p.m.

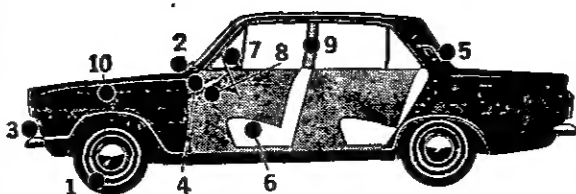

Go by VALUE..

If you're after the car that gives you the most features for your money as a family-sized economy-car, or as a business car for your fleet, go for Cortina. Cortina gives you 5 to 6 passenger room, a huge 21 cubic feet luggage boot, choice of 2-door and 4-door models, up to 40 miles per gallon, 6000-mile oil change and lubrication, 4-speed, all-synchromesh gearbox, and a choice of 2 race-bred engines.

THE BEST-VALUED CAR IN ITS CLASS!

1. Front wheel disc brakes—for faster braking, added safety; 2. Windscreen washers—for extra driving convenience and safety; 3. More engine power—more torque—for even higher performance and better low-speed flexibility; 4. Aeroflow ventilation—for air-conditioned luxury. Aeroflow draws fresh air in through

adjustable intakes on both ends of the instrument panel; 5. Air extraction vents—for a complete change of air inside every 40 seconds; 6. Smartly patterned vinyl upholstery—for added style and longer life; 7. Deep-dished steering wheel—for still more safety; 8. Lighting control antenna—for finger-tip lighting control; 9. Seat-belt anchorages—for Lap and Lap/Sash seat belts; 10. 6000-mile oil changes—plus 6000 miles between routine servicing.

There are four Cortina models — the "220" and "240" (shown right) 2-door sedans, the "440" (shown top) 4-door sedan and the GT 4-door sedan.

1st Altona Scouts

Thanks to Messrs. Blasco, Barnes, Carruthers, McLennan, McGuckian, Mason and the ladies who helped in the kitchen for their help at the working bee to replace the fire damaged weatherboards on July 17. This was a great effort.

The Rovers special effort got off to a good start earlier in the year, but some contributions are overdue. Would parents please bring payments up to date.

There will be a street stall in September. Would Mums please start collecting saleable goods such as needlework, aprons, tinned goods, etc. for the stall.

A working bee on the Rovers hut at Eumerella camp at Anglesea will take place this coming Sunday. Facilities for cooking are available and any old Scouts or interested parents are welcome to make this a family day. It is hoped to put the roof on the hut. The camp is well signposted about two miles this side of Anglesea.

Reports from members of The Pines Development Committee indicates considerable progress in this project. The next working bee there will be held on August 6.

SEVEN DAYS FOR "DUD" CHEQUE

For passing a "dud" cheque to an Altona shop-keeper, Stephen Znider, a former Altona resident, was sentenced to seven days imprisonment at Williamstown Court last week.

Znider passed the cheque for \$51 to Frank's Men's Wear in Pier Street on July 2 in payment for a pair of trousers and was given change.

Afterwards the cheque was returned by the bank marked "No Account."

Znider, a 22-year-old painter, now of Brunswick Street, Fitzroy, admitted to the court that he was on 12 months probation relative to a prior conviction.

JUNIOR COUNCIL ACTIVITIES

At the junior council meeting last Tuesday afternoon the Altona East Primary School extended best wishes to Cr. A. W. Bond for a speedy recovery from the injuries he suffered in a car accident several weeks ago.

Several schools expressed their appreciation of the council's efforts in regard to Education Week and also thanked them for acceding to various requests from junior councillors.

Choice of a site for the proposed swimming pool in Altona North has reached a stalemate among the junior councillors.

Four schools favour the hospital site on the corner of Millers and Blackshaws Roads and four favour the triangular piece of the SEC land the council as acquired at the corner of Mills and Mason Streets.

One school suggested the vacant piece of triangular land at the Circle, two schools considered that being situated quite a distance from Altona North they were not familiar enough with the area to suggest a site and the twelfth school was absent from the meeting last Tuesday afternoon when the matter arose.

These views were later passed on by Cr. J. J. Giniher at the council meeting on Tuesday night.

Other matters which junior councillors raised were—

The dog catcher's attention be directed to dogs roaming in the vicinity of Altona North High.

Rats noticed near Estelle Court to be investigated by the Health Inspector who stresses the importance of not leaving food around to feed the rats.

The police will be asked to take action against people riding motor bikes on Cooper Reserve.

A suggestion from Altona High School that if they clean out the old football pavilion on Grant Reserve could they use it as a change room on sports days will be considered by the Parks, Foreshore and Properties Committee.

Ants Basketball

UNDER 14 B GRADE

The Altona North Technical School's (Ants) superbabies collapsed badly under sustained pressure last Saturday week, July 16, but good defence held their opponents down to a respectable score.

Ants No. 1 11 (Robert Whitaker 4), lost to Brighton 19.

Brighton galloped away to an eight point lead and it was sheer determination by Barry Millsom and Ross Ritter that gave Robert Whittaker the chance. Good shooting by Alex Straubinger and Trevor McCubbin brought the Ants within range, but the old Brighton fast break cut loose and that was that.

Ants No. 2 15 (Peter Gates 4, Michael Searle 4, Michael Downey 4), lost to Church 24.

Church were their usual enormous selves, but it was persistence by Michael Searle and Jim Court that very nearly gave the Ants the game. Peter Gates, Angelo Vassiliadis and Michael Downey threw everything into a last ditch effort, but two missed shots gave Church two good rebounds and it was all over.

INTRA-SCHOOL MATCHES

With the return of inter-tech, stars Barry Reid and Lonigi Coppola to the line-up, Azteks returned to final four calculations with a convincing win over Allstars.

Meanwhile Arabs captain Bruce McCausland found the Wildcats more than enough to handle and hence it's Arabs right on the hot spot.

RESULTS

Azteks 20 (Keith Gunstone 8, Barry Reid 8), d. Allstars 6 (Bill Barlow 4).

Playboys 21 (Steve Patralakis 11), d. Odd Bods 14 (Robert Smithwick 10).

Wildcats 14 (Bill Anderson 5), d. Arabs 11 (Derek Hendry 4).

Devils 12 (Felix Ebeyer 4, Brian Huckle 4), drew with Mods 12 (Felix Karpinski 8).

Fugitives 13 (Wolfgang Forke 6), d. Wee Five 12 (Ross Leader 6).

Saints 36 (Joe Bilis 16), d. Globetrotters 17 (Chris Malberg 6).

Altona High School Mothers' Club

The Altona High School Mothers' Club will hold their next meeting on Tuesday, August 2, at 1.30 p.m. at the school.

No Start on Extra Classrooms Yet

The Assistant Minister for Education regrets it is not possible to indicate precisely when work will commence on two additional classrooms at Altona Primary Schools.

A tender has been accepted for the work but as it is included in a series of district contracts encompassing numerous schools throughout the State it is impossible to say exactly when work will commence at Altona.
